## 2013 Fall Newsletter

### KITEBOARDING IS ALLOWED AT THE NORTH FLATS

Rumors about no more Kiteboarding at the North Flats are untrue. Kiteboarding is allowed; the only change is commercial Kiteboarding instruction is no longer permitted.

The landowners have renewed our lease for 2014. We look forward to seeing all the familiar windsurfers and kiteboarders the coming year, and maybe even some new faces. So tell your friends and family to head on down to the most special place in the US to windsurf and kiteboard, the SPI Windsurfing/Kiteboarding North Flats.

The south palapa has been added to and is now double in size. It now sports a BBQ, bar and a small built in table. The expansion is a gift from Leo and Caren. We invite all to enjoy the newly expanded palapa.

Swap meets – starting 10/12 and continuing thru 11/30, at the south end of Louie's parking lot, get rid of your old stuff and help someone new get into the sport.

Fall Dinner – the Fall Dinner will be 11/15 at Isla Blanca Cabanas, the same place as last year, donation of \$10 per person is requested.
